## TERJEMAHAN:

### **Oktober 2014, Semester 7, Minggu UTS**

"Kehadirannya selalu mengundang tanya; kenapa dia selalu datang dengan segala jarak yang membuatnya rahasia?"

### **Januari 2015, Semester 8, Awal Masuk**

"Setelah segala jarak, lalu ombak, kemudian diam, lalu tenggelam. Tapi, tak akan kubiarkan dia pergi dan menghilang."

### **April 2015, Semester 8, Minggu UAS**

"Lucunya, semesta terus menginterupsi, seolah dia terus membiarkanku mencari dalam sembunyi."

### **September 2015, Semester 9, Mulai Masa Tugas Akhir**

#ciecuk "5 bulan lagi. Akankah semesta izinkan kita saling menyapa lalu berdansa? atau malah aku terus bertanya sampai setiap jarak meniadakan kita?"

### **November 2015, Semester 9, Menuju Preview Sidang Ketiga**

"Semesta memang suka bercanda! Tapi rasanya kebetulan ini terlalu nyata."

"PERPUSTAKAAN PUSAT, LANTAI 4 — saksi dari segala anomali; tempat segala bayang dan ingatan tertambat."

### **Januari 2016, Semester 10, Menuju Sidang Akhir**

"Mekar sudah bunga yang berbeda. Sudah cukup lama artinya. Kupu-kupu melintas, berharap dia datang dengan bergegas. Tapi, tidak, jangan sekarang.."

"Karena dari pagi para begundal ini sudah membuntuti. Sial!"

#ciecuk "Dan di ujung sini, aku menyadari segalanya. Tentang kita, tentang takdir. Tapi, apakah ini benar sebuah akhir?"

nantikan selalu...
